

21CC Productions

21CC Productions are specialists in delivering professional lighting, sound and AV services across a multitude of events around the UK including award ceremonies, corporate dinners, conferences, private functions, weddings, product launches and more.

Their dedicated technical team will work with you to cater to all your technical event specifications, both inside and out.

From a handful of up-lighters and a small PA for wedding speeches or small-scale parties, to full-scale lighting rigs, movers, projection, screens and PA line arrays for corporate events; 21CC Productions has the full production package.
